

## Network group on data-driven process optimization

Tuesday September 6<sup>th</sup> 2022 10:00 - 16:00  
Teknologisk Institut, Kongsvang Allé 29, Konferencesalen

---

### Agenda

---

9:30 Arrival – coffee and breakfast

---

10:00 Welcome – introduction to the network group  
Christian Bladt Brandt, Teknologisk Institut

---

10:30 Design of Experiments with Brownie Bee  
Why and how?  
Morten Bormann Nielsen, Teknologisk Institut

---

11:15 Break

---

11:30 Application of Brownie Bee in Novo Nordisk  
Søren Bertelsen, Novo Nordisk

---

12:00 Lunch

---

13:00 Discussion of experiences with process or product optimization  
Experiences are shared in small groups

---

14:30 Break

---

14:45 Share topics from each group  
Each group shares its discussion points  
Summarize findings

---

15:30 Next meeting, relevant topics  
Input from the group

---

16:00 See you next time!

---
